Making the transition to 5th Grade three years ago was a little challenging. After teaching Kindergarten for six years, I quickly came to realize that in 5th grade teaching kindness is just as important as any other content area. Teaching empathy and kindness in my classroom does not mean lectures, or essays or laying down the law. I model kindness by how I treat my students, resolve conflict ...

Creating Your Own “Kind Kids Club”

Tape different situation card to the back of students shirts without them knowing what their card says. Have them match up with 5 other students in the class. Each student should determine what random act of kindness they could do for the other student based on what their situation card says.
