Vol 2- Chapter 7 : Violet Evergarden The railway that parted from the southern maritime country Leidenschaftlich finally being extended to northern nations was something quite recent. Public means of transportation were rather useful for traveling around a wide continent, yet the trains across the mainland contributed greatly not only to each person...

Violet Evergarden Vol 2- Chapter 7 - Violet Evergarden

The operating room (OR) is known to be the most cost-intensive place of the hospital where adverse events are most likely to occur [1-9]. Weaknesses in the hospital organisation; lack of experience of the OR team; limitations in checklists, protocols, and in equipment design allow adverse events to occur in a complex environment such as the OR [].
