Amazon.com: Customer reviews: Excelling at Positional ...

Description. Brought together in one volume are two of Jacob Aagaard's great books- Excelling at Technical Chess and Excelling at Positional Chess. "And the rest is a matter of technique" is an annoyingly common phrase used in chess literature. The implication from the author is that the task of converting a typically winning position into a full point or converting a drawing position into half-a-point is relatively straightforward.
