turtle's are notorious for killing and/or eating frogs. Watching a turtle kill a frog is quite grotesque.

Can Turtles And Frogs Live Together? - Animal Questions

All frogs/toads (and let us not forget newts!!!) are pests and menaces to the gardens we have worked on in our spare time from our time away from work. I thought I was frog/toad free (newts 2), but picked up a plant pot and one of the cheeky S.O.B.'s was staring write at me. Had to get the hubby to dispose of it with the hatchet.

How to Kill or Get Rid of Frogs and Toads | Dengarden

"Sixty-three inches apart is too close by CDC guidelines," said Toad. "Frog, please tell that turtle to move away." Frog walked over to the turtle, taking care to keep his space. "Turtle," said Frog, "you will have to move over a few inches." "Why should I?" asked the turtle. "Because there is a pandemic,"

The Difference Between Frogs And Toads | RSPCA

Frogs and toads are among the more popular options for pet parents looking to introduce a web-footed wunderkind to their family. They are highly active swimmers, climbers and jumpers, making them entertaining to watch for new and experienced pet parents alike. Choose from a colony of croakers and find the right pet frogs for sale to bring home ...

Frogs & Toads for Sale | Live Pet Frogs for Sale | Petco

A frog is any member of a diverse and largely carnivorous group of short-bodied, tailless amphibians composing the order Anura (literally without tail in Ancient Greek).The oldest fossil "proto-frog" appeared in the early Triassic of Madagascar, but molecular clock dating suggests their origins may extend further back to the Permian, 265 million years ago.. Frogs are widely distributed

Frog - Wikipedia

Toads have dry, rough and bumpy skin covering a wide body while frogs are slender with smooth, moist skin. Frog eyes are higher on the head than toads and are rounder and bulging. And there's a reason we play "leap frog" - frogs take long, high jumps but toads run or take small hops. Check out our fun fact sheet on Oregon's frogs and toads.
