### Grand Hotel Abyss The Lives

Their lives, like their ideas, profoundly, sometimes tragically, reflected and shaped the shattering events of the twentieth century. Grand Hotel Abyss combines biography, philosophy, and storytelling to reveal how the Frankfurt thinkers gathered in hopes of understanding the politics of culture during the rise of fascism. Some of them, forced to escape the horrors of Nazi Germany, later found exile in the United States.

For the residents of the Grand Hotel Abyss it was the 'form of life' that is found-wanting: they were presenting a truly excoriating, at times truly totalising, critique. The theoretical infrastructure of social pathology is increasingly acknowledged as central to their capacity to engage meaningfully in such an endeavour (Freyenhagen, 2015).
