HR from the Outside In: Learnings from Dave Ulrich, Father ...

Our message of HR from the outside in is simple to say but not easy to do. Outside-in HR is based on the premise that the business of HR is the business. This logic goes beyond the current state of the HR profession, where the focus is on connecting strategy to HR.

Chapter 1: Next Generation HR - Amazon Web Services

The outside-in logic leads HR to create internal organization capabilities (like agility, customer-centricity, information, culture) that match external conditions. The outside-in logic also encourages HR to source and develop leaders and employees who have the competencies of anticipating and responding to change.

Dave Ulrich on the outside-in view of HR — Roland Berger

For HR to deliver the standards of the first three waves and the promises of the fourth (outside-in), our research shows that HR professionals must master six competencies. These competencies are based on research from more than 20,000 respondents around the world. These 20,000 respondents (HR professionals and their line and HR associates ...

“As the pace of change increases in every aspect of our lives, HR professionals have become change champions in many companies around the world, and this has generally been much to their employers’ advantage.”

— David Ulrich, HR from the Outside In: Six Competencies for the Future of Human Resources 0 likes

HR from the Outside In Quotes by Dave Ulrich

HR from the outside/in is a seismic shift in how HR thinks and acts. We no longer create value just by serving employees; we must also make sure that services we offer inside the company align to expectations outside the company. For example, we want to be the employer of choice of employees our customers would choose.
