SHRED-TECH ST-150 SHREDDER - Compactor Management Company

50/50 schedules can benefit a child because the child spends substantial time living with both parents. This allows him or her to build a close relationship with both parents, and to feel cared for by both parents. 50/50 schedules work best when: The parents live fairly close to each other, so exchanges are easier.

50/50 Custody & Visitation Schedules: 6 Most Common Examples
